## A Magic Tale by Magic Snowball

Lonely Wolf was bored. Plain bored. There was nothing to do but stare at yourself, but that was boring. Lonely Wolf sighed. She had no friends, that's why she was called Lonely Wolf. She had thick black hair and a grey dirty top with ripped jeans. Suddenly she heard some mumbling that saw a fat woman dressed in a blue outfit with shiny blonde hair covered in makeup holding a microphone.

"And we are here at the most unpopular place in Poptropica. Poptropica towers! All you can do here is sit, but there is supposed to be some sort of secret legend here, somewhere in the clouds." The woman exclaimed. Lonely Wolf turned and stared. Secret legend? Impossible. Nothing was here but towers and pot plants. They must be at the wrong place, thought Lonely Wolf. Suddenly the woman approached her.

"Here is a local. Do you know anything about the secret legend deep within the clouds?" Asked the woman cheerfully. A camera man pointed the camera at her face and the lady put the microphone to Lonely Wolf's faint pink lips.

"No. There's nothing here. All there is pot plants, weirdo tourists and that statue. So you're wasting your time. I'm sure that secret legend is on another island." Groaned Lonely Wolf.

"How can you be sure?" The woman cheered.

"Look. How can there be anything here. This place is boring and dumb. There's no magical unicorns or UFOS or flying potatoes." Lonely Wolf sighed.

"Have you looked hard enough? Climb up buildings and stare? Watch the clouds?" The woman smiled showing her shiny teeth. Lonely Wolf muttered something under her breath and excused herself. She shook her head at the lady and wondered over to the main street. She sat outside the Soda Pop Shop. They were crazy, she thought. She looked back and saw the woman looking at that statue. They won't find anything, Lonely Wolf thought. Suddenly she felt something cold land on her head. She looked up and saw rain. She looked over at the woman who was freaking out because her make-up was

washing off. Drama queen, it's just rain, it's not like the clouds are magical, thought Lonely Wolf. But this rain wasn't ordinary rain. Oh no. This was magical rain created by the gods.

"No magic in the clouds huh?" Whispered a voice from the clouds.

"I'll show her."

Lonely Wolf pulled herself into the Soda Pop shop to escape the rain. She looked outside and saw dark clouds forming.

"We've never had such a storm!" exclaimed the Soda Pop shop waitress. Some poptropicans were huddled in a corner. Some were watching. Some were singing in the rain. Oh please, it's just a little storm, no big deal, thought Lonely Wolf staring at the scared Poptropicans. She then saw the fat woman from before coming inside. Oh great, thought Lonely Wolf.

"News is just in that a terrible storm has hit Early Poptropica! This is a world first! Will we survive? Coming soon for more updates on the storm. Cut" The woman cheered. Ugh, this is stupid, thought Lonely Wolf.

"Not for long, soon it won't be stupid. It will be destructive." whispered the voice. Suddenly everything got winder. Signs were blowing everywhere. Everyone was now freaking out. Even Lonely Wolf was a little bit frightened. Okay, I guess now signs are falling off, I suppose that's bad, but no reason to scream at the top of your lungs, thought Lonely Wolf. She looked outside and the dark clouds were getting thicker and heavier. Just staring at them made you feel nervous. Come on, it's just clouds, maybe there are some dumb kids setting up a joke by putting smoke everywhere, Thought Lonely Wolf.

"Okay. That's it. She's pulled my cord too far!" Bellowed the mysterious voice. Suddenly trees and buildings were falling down. Everyone was screaming. Lonely Wolf felt a hint of scared inside of her, but not enough to satisfy the voice.

"More Power!" Screamed the voice.

"News is j-just in th-that a t-terrible storm has h-hit Early Poptropica. T-the chance of s-survival are l-low." Cried the woman. Everyone in Poptropica was now watching TV and at the edge of their seats.

Lonely Wolf was actually frightened, but she didn't scream. She looked up and saw a powerful figure in the sky. She gasped at who it was. Then she realized what she had said. She knew it was her that caused this crazy storm. She screamed out to the figure in the sky, but could not be heard as Poptropicans were screaming.

"What have I done?!" Lonely Wolf cried, falling to the ground.

"Help!" Screamed a familiar voice. Lonely Wolf looked around and saw someone hanging of a building screaming. Below the person was raging fire. Lonely Wolf stared at the person. It was that woman from before.

"Help!" The woman screamed, dangling dangerously above the burning fire.

Lonely Wolf knew it was up to her to save the woman. Bravely she climbed the building, avoiding falling rocks and lighting bolts. Suddenly a giant lightning bolt hit her head, giving her a shock. But somehow, she couldn't feel it. It was like her determination was so strong it was like a force field. She kept going and until she reached the woman.

"Grab my hand now, uh whatever your name is." Cried Lonely Wolf, reaching out her hand.

"My name is Spotted Tiger." Replied Spotted Tiger. She grabbed Lonely Wolf's hand and together they ran down the building, avoiding lightning bolts and rocks.

"Thank you so much! I owe my life to you." Exclaimed Spotted Tiger.

"What's your name?"

"I'm Lonely Wolf." Lonely Wolf Replied as they both panted heavily. Lonely Wolf noticed that Spotted Tiger wasn't fat anymore.

"No offence, but weren't you fatter?"

Asked Lonely Wolf. Spotted Tiger sighed.

"Well, I not really who you think I am. I act posh and freaky because I get paid a lot of money for it. I wear pillows under my top it looks like I'm fat, but I'm actually not. And I wear a wig too." Spotted Tiger explained. She took off her blond wig to reveal her brown wavy locks.

"You're beautiful the way you are. You never needed to change that. Even if you do get paid a lot of money for looking your fake way, I'm sure some of your make up costs a lot." Lonely Wolf winked.

"Yeah. It costs a lot. You know, maybe your right. Maybe I didn't know what I was thinking." Spotted Tiger mumbled. The two where deep in thought when a lightning bolt struck in the middle of them. They looked around and saw fire everywhere and cracks in the ground. Spotted Tiger got hot in the face, but Lonely Wolf seemed fine.

"Zeus! What are you doing!?" Cried another mysterious voice.

"Go away Athena. I'm busy destroying." The mysterious voice, or Zeus replied.

"Why are you doing this? It's not right! The Poptropicans didn't do anything wrong." Screamed Athena.

"Because of her. She disbelieved. In everything." Shouted Zeus pointing at Lonely Wolf.

"She didn't understand correctly. She didn't try to harm you or anyone. She just doesn't understand! Besides, she's changed!" Athena yelled at the top of her lungs.

"Too late!" Screamed Zeus as the island was tearing apart.

"No!" Athena raged as she jumped on Zeus, struggling him to the ground. Zeus fought back to her. Both were

screaming. Lightning bolts were coming from everywhere. Poptropicans were screaming. Spotted Tiger stared at Lonely Wolf in fear. Lonely Wolf just smiled and ran over somewhere.

"YOU WILL DIE!" screamed Zeus. Until someone yelled STOP! Everyone froze dead in their tracks. Zeus was holding a sword a pointing at Athena. He looked at who said 'stop.' He gasped. It was Lonely Wolf.

"Listen, Gods. I know you're fighting and causing destruction, but this is my fault. I know what I said and I shouldn't have done it. Besides Zeus, Athena is your daughter. You can't kill her. I guess I just get angry and think the wrong things because I'm lonely. Now, please stop fighting?" Lonely Wolf asked. Zeus looked her straight in the eyes. Spotted tiger turned to her in shock.

"Fine. We will stop." He looked at Athena. She smiled at him.

"And we will fix Early Poptropica." He groaned. He mumbled some words and magically everything returned to normal. "Now wasn't that magical?" Spotted Tiger jeered at Lonely Wolf. Lonely Wolf smiled and nodded. She turned to Zeus.

"I will be back." He whispered. She watched him disappear in the distance.

"Oh by the way, you're not lonely anymore. I'm your friend now." Spotted tiger whispered, putting her arm around Lonely Wolf. Lonely Wolf smiled, wondering what their next adventure would be.
