ASTRO FORCE CARDS

4-PLAYER CARDS

Name your card and add a power level, such as 1, 2, 3, 4, 6... What if it's level 5?

Draw a hero or villain. You can even draw YOU!

If your card's a special card, write a superpower in the power bar and describe it down below. If it's a normal card, keep the bar blank and instead write a nifty catchphrase!
